

ADOLFO LEON

About Me

Hola! I'm Adolfo Leon, a dedicated Creative Director and Motion Graphic Designer with over a decade of industry experience. Over the years, I've contributed to major projects in live broadcast television, real-time projection mapping, street advertising, and impactful motion graphics.

I've had the pleasure of working with top-notch companies like Global News, ET Canada, Corus, and SenovVa.

My journey also includes freelance gigs as a Creative Art Director and Motion Graphic Designer for various agencies.

With skills honed over 10+ years in Graphic Design, 8 years in Video Editing, 7 years in Motion GFX, 3 years in Art Direction, and 2 years in Web Design, I'm ready to bring creativity and expertise to your projects!
